## Instructions

The owner of this vehicle must complete this form in detail by typing or printing and should include all vehicle descriptive data.

### **ALTERED, REMOVED, OBLITERATED, DEFACED, MISSING, OMITTED VEHICLE IDENTIFICATION NUMBER.**

Sections A, B, C, D, F, and G must be completed if the application is for an Alabama Assigned Vehicle Identification Number for the reasons listed above, the following must be submitted:

1. A photostatic copy of the front and back of certificate of title or
2. A notarized bill-of-sale to show ownership.
  - A notarized affidavit by owner stating the circumstances by which vehicle identification number (VIN) plate was omitted, missing or removed.

### **ASSEMBLED**

All sections (A, B, C, D, E, F, and G) must be completed if application for an Alabama Assigned Vehicle Identification Number is for an assembled vehicle. Due to the length of title procedures for assembled vehicles, they are not listed here. Contact this office or the County License Plate Issuing Official in the county in which you reside for title procedures.

### **REBUILT**

All sections (A, B, C, D, E, F, and G) must be completed if application for an Alabama Assigned Vehicle Identification Number is for a rebuilt vehicle. The following supporting documents must be submitted:

1. Salvage Certificate of Title in name of applicant or assigned/reassigned to applicant.
  - a. Notarized bills of sale evidencing acquisition of all major component parts (listing the manufacturer's vehicle identification number of the vehicle from which the parts were removed, if parts contain or should contain the manufacturer's vehicle identification number) used to restore the vehicle and bills of sale evidencing acquisition of all minor component parts. Notarization not required for minor component parts. A bill of sale for a transmission shall contain the VIN as required for major components. (Ref: Section 32-8-87, **Code of Alabama 1975** as amended.)
  - b. A chain of ownership by salvage title assignment/reassignment and/or notarized bill of sale from the insurance company to the salvage buyer and so on to the applicant, must be submitted with this form.
  - c. Whenever any major component part (engine, frame, body) is replaced and is not that component in the original salvage vehicle, appropriate certified bill(s) of sale, with identifying number of part and trade name of part, for that component is necessary. This applies to transmissions also.
2. Application fee of \$75.00 and title fee of \$15.00, in certified funds, (no personal checks) must be submitted.

After completing this form, forward to the Alabama Department of Revenue (see address on reverse side) for further processing. Upon approval of application for an Alabama Assigned Vehicle Identification Number, a representative from the Department of Revenue will inspect vehicle, deliver assigned Alabama plate, and process application for certificate of title.
